This event features flexibility to play your matches as mutually agreed upon. The process is as follows:

- 1) Communicate with your opponents using the “Chat” feature in GotSoccer.
Best Practice: The home team should contact their Club for field availability and suggest to the away team three options for scheduling the match.
- 2) Once confirmed by all parties (date/time/location), use the “Make Request” button to confirm the details with TCSL.

TCSL will secure referees; the home club does not need to secure referees.

- 3) Play the match on the agreed upon date/time/location. Have fun!

TCSL asks that you please allow 48 hours so we have ample time to secure referees.

IV. Rosters & Rules

V. Refunds
